Education

University of Thessaly	Larisa, Greece

Digital Systems Department of the University of Thessaly , GPA 7/10.   2019-2025

Thesis: Design and Development of a Task Management Application Using MERN.

9o General Lyceum	Larissa, Greece
	2016-2019

Experience

Projects

Travel Landing Page.   2025

- Built a responsive travel landing page using React and Tailwind CSS.
- Made it looks great and works well on both mobile and desktop.
- Followed modern design trends to create a clean, user-friendly layout.

Virtual App Landing Page.   2025

- Developed a sleek landing page for a virtual service app using React and CSS.
- Focused on responsive layout and accessible design.
- Ensured compatibility across major browsers and devices.

Task Management App (Thesis Project)   2024-2025

- Designed and built a full-stack task management app using the MERN stack.
- Implemented user authentication, task CRUD operations, and role-based access.
- Used MongoDB for data storage.
